## PROCEEDINGS UNDER THE PACKERS AND STOCKYARDS ACT

*Docket no. 511.*—In re American Live Stock Commission Co., Oklahoma City, Okla. The Acting Secretary of Agriculture on November 11, 1935, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had engaged in an unfair and deceptive practice and device, in selling livestock in commerce at the Oklahoma National Stock Yards, in withholding approximately \$225 which was due a shipper. The amount due the shipper was paid by the respondent; therefore, the case was dismissed without prejudice on March 10, 1936.

*Docket no. 512.*—In re Mt. Vernon Live Stock Co., Mount Vernon, Ohio. The Acting Secretary of Agriculture on November 16, 1935, issued an inquiry alleging that respondent had violated title III of the Packers and Stockyards Act in that it had failed, neglected, and refused to execute and maintain a reasonable bond to suitable trustees or to furnish any other form of satisfactory indemnity to secure the performance of its obligations incurred as a market agency and dealer. On December 5 respondent filed a satisfactory bond with the Bureau of Animal Industry. On February 26, 1936, respondent admitted the truth of the matters and things alleged and waived a hearing thereon. On March 24, 1936, respondent was ordered to cease and desist from doing business as a market agency and dealer without executing and maintaining a reasonable bond, or furnishing some other satisfactory indemnity, to secure the performance of its obligations.

*Docket no. 513.*—In re Farmers Union Livestock Commission Co., Springfield, Mo. The Secretary of Agriculture on November 23, 1935, issued an inquiry alleging that respondent had engaged in and used an unfair and deceptive practice and device in that on or about August 21, 1935, it began to operate at the Union Stockyards, Springfield, Mo., a market agency under the name of the Farmers Union Livestock Commission Co., and that such trade name has the capacity and tendency to deceive and mislead the public into consigning livestock to respondent for sale under the belief that the respondent is a cooperative market agency. The Farmers Educational and Co-Operative Union of America filed a petition with the Secretary of Agriculture on September 12, 1935, setting out the material facts with respect to the organization and operation of respondent, and requested that respondent be prohibited from further use of the name "Farmers Union Livestock Commission Co." Respondent made answer on October 10, 1935, in which it asserted the right to do business under that trade name. A hearing was held on December 10, and the evidence clearly brings out the fact that the Farmers Educational and Co-Operative Union of America and its affiliated organizations have established a right to the use of the name "Farmers Union", by which they have been known for many years. It was also brought out that respondent did not obtain from the Farmers Educational and Co-Operative Union of America any authority to use the name including the words "Farmers Union." On March 24, 1936, respondent was ordered to cease and desist from the use of the name "Farmers Union Livestock Commission Co." or any trade name containing the words "Farmers Union." This order is to become effective July 1, 1936.

*Docket no. 516.*—In re Corn Belt Commission Co., Omaha, Nebr. The Acting Secretary of Agriculture on December 27, 1935, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had engaged in and used an unfair and deceptive practice and device in connection with the buying and selling of livestock in commerce. A hearing was held on January 28, 1936. On March 9 respondent was ordered to cease and desist from engaging in and using unfair and deceptive practices and devices in connection with the handling of livestock in commerce, and to pay to Charles O. Meidell the sum of \$47.50 with interest at 6 percent from August 10, 1935, until paid.

*Docket no. 521.*—In re J. N. Richey Co., Cincinnati, Ohio. The Acting Secretary of Agriculture on January 25, 1936, issued an inquiry alleging that respondent had violated the Packers and Stockyards Act in that it had engaged in and used an unfair, unjustly discriminatory, and deceptive practice and device in connection with the handling of livestock in commerce; and that it was insolvent and unable to pay its debts. On January 29, respondent acknowledged the truth of the matters and things alleged and waived a hearing thereon. On March 9, respondent was ordered to cease and desist from using unfair, unjustly discriminatory, and deceptive practices and devices in connection with the handling of livestock in commerce; and was suspended from registration as a market agency for a period of 6 months with leave, however, to apply for revocation of the suspension on satisfactory proof that it is then solvent.

**DISINFECTION OF CARS, TRUCKS, ETC., UNDER B. A. I. ORDER 341**

Lists of such disinfectants are issued by the Bureau from time to time and employees should not permit the use in official disinfection work under that order of any product not included on the current list.
